

TIBURONES BASEBALL CLUB

2024 Dominican Republic Tournament

About the Tournament

Teams from multiple countries travel to play in the Clasico El GranLulo in La Romana. The tournament consists of a 4 games guarantee, All star game (players are selected by the tournament director) homerun derby and Championship bracket games.. The tournament fee includes your team jersey, hat and player transportation.

Baseball is the Dominican Republic's favorite sport. For Dominicans, "pelota"–as we call it here–is more than a sport. It's a limitless passion, a love for country and unity. For the young generation, baseball also symbolizes a dream and hope for a better future–with the possibility of becoming one of the world's legendary Dominican baseball players. After all, it worked for Sammy Sosa, Pedro Martínez, David Ortiz, Robinson Canó, José Reyes, Juan Marichal and Bartolo Colón, among numerous others.
